

**OCTOBER 2015 NURSING REPORT  
SUBMITTED BY ASHLEY SMITH RN**

- **BCMH**

- Our field nurse case manager Mindy Schwartz will be coming on Thursday December 17<sup>th</sup> to do our site visit/case review. This is something new Mindy is doing and it is not meant to be punitive but help gauge where our program is and give direction on what and how to improve.

- **SCHOOL NURSING**

- 3<sup>rd</sup> grade hearing/vision screening taking place on 11/18/15.
  - 5<sup>th</sup> grade hearing screening taking place on 12/14/15 and vision on 12/16/15.
  - K, 1<sup>st</sup> grade and 9<sup>th</sup> grade hearing and vision screenings are completed.
  - Kara met with Mr. Grubbs and the school is working on policy updates.
  - The immunization survey was submitted to ODH and a district wide exclusion list was completed.

- **EDUCATION/OUTREACH**

- I attended the LEHDS conference on 10/27 and 10/28.

- I will be attending the annual OPHA PHN Conference in Columbus on 11/30 and 12/1/15.

- **IMMUNIZATION CLINICS**

- We completed our MOBI (Maximizing Office Based Immunizations) training on 11/5/15. This was done by Beth Barker from the American Academy of Pediatrics. We looked at our immunization completion rate for children at the 24 month age range and were able to see where we can improve. We came up with a Provider Improvement Plan and our selected QI strategy includes documenting all vaccine refusals (even for those vaccines that are just recommended and not required) and inactivating patient's in the Impact system that are no longer seen here. Beth will assess how we are doing with this when she comes back next month. By doing these two things, our reports will more accurately reflect our immunization rates.

- We scheduled our TIES (Teen Immunization Education Session) with Beth on Wednesday December 9<sup>th</sup>.

- I am looking at what vaccine to purchase with the GRF Grant dollars that we received.

- We are also starting to work on how to make our filing system for our immunization records more efficient.
