Galion City Board of Health
Environmental Division Monthly Report for May 2021

Food Safety

Seasonal and mobile food service inspections were completed along with school kitchen facilities. Transmittals for the first quarter were completed and sent to the Ohio Department of Health and the Ohio Department of Agriculture.

Public Health Nuisances

There were 11 nuisance and/or Director Order Covid-19 violation complaints during the month of May. Only one of the complaints were Covid-19 required business practices complaints. The other complaints were solid waste/garbage complaints.. Several complaints are being investigated in conjunction with the zoning inspector. Most of the complaints are now closed.

General Environmental Health

All pools that are operating this summer have been issued licenses. I have inspected Aspen Terrace, and all other pools will be inspected in June.

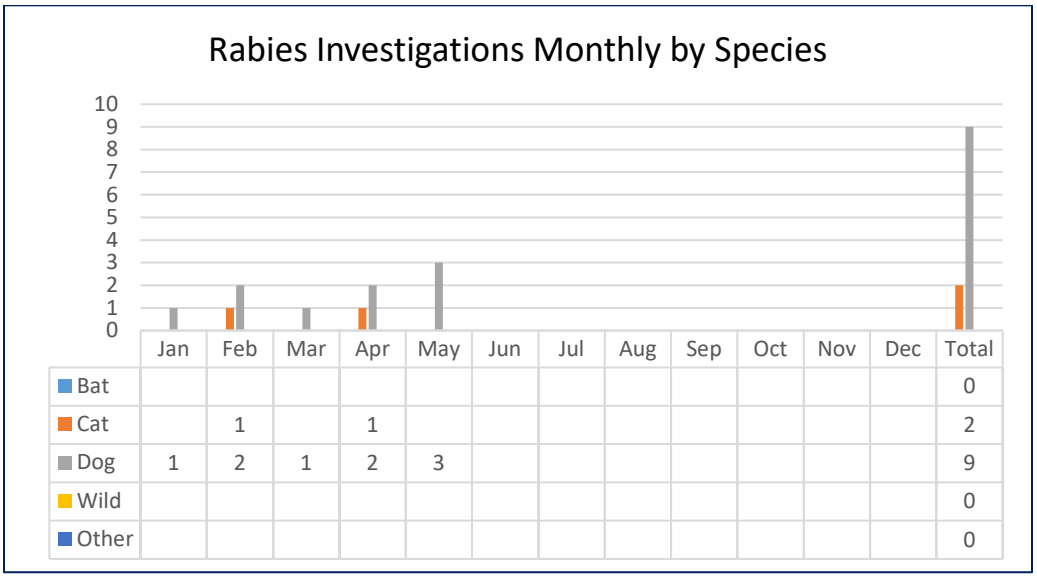

On May 22nd, the city of Galion had a clean up day and the 2021 Mosquito Control Grant is picking up the tab for $2,000 for the 250 or so scrap tires that were collected from city residents.

For the 2021 Mosquito Control Grant, the contractor for surveillance will begin the first week of June. I am looking to post 2 billboards in July for mosquito control education to residents.

The Lead Poisoning Prevention/Healthy Homes activities will be completed in June, including educating some medical offices and a daycare. I also have some monies to purchase more we cleaning supplies for residents.

Rabies Prevention

GCHD received 3 animal bites reported for the month of May (all dogs). The quarantine notices were sent to the respective owners.

	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec	Total
Bat													0
Cat		1		1									2
Dog	1	2	1	2	3								9
Wild													0
Other													0

Respectfully Submitted,

Andrea Barnes, R.S.
Director of Environmental Health
