

**Outreach Report**  
**Third Friday in Galion**  
**June 18, 2021**

**Division:**

Environmental Health  
HIV/STD Educator  
Nursing

**Participating Staff:**

Andrea Barnes, R.S. Director of Environmental Health  
Monica Light, RN  
Tina Nichols, Disease Intervention Specialist

**Anticipated Outcome:** To provide Healthy Homes Information, specifically lead poisoning prevention supplies to families with children under the age of 6, living in older, pre-1978 homes. To give mosquito dunks to Galion residents for areas of standing water as well as education on mosquito/ticks and prevention of disease. To provide condoms to individuals to practice safe sex. The Galion City Health Department also let the community know that we still have the Covid-19 vaccination for anyone wanting or needing it.

**Description of event:**

**Location:** Galion City Health Department  
**Audience:** Galion and area residents  
**# of Community Members Impacted:** approximately 23 families/individuals  
**Sponsor:** Galion Chamber of Commerce & Galion Community Theatre

**Outcomes of event:** During the event 23 families were given Lead Poisoning Prevention supplies and information. Approximately 15 families were given mosquito dunks. Approximately 3 individuals were given condoms.

Monica Light, RN and Tina Nichols, DIS

Respectfully submitted,

Andrea Barnes, RS
