To whom it may concern,

I rescind my resignation as public health nurse at Galion City Health Department. I originally intended for my last day to be June 27<sup>th</sup>, and the resignation would have previously been effective as of June 28<sup>th</sup>.

Until further notice, I am now interested in transitioning from a public health nurse to the PRN position, where I will not work a set schedule; rather, I will work as needed and as I am able and willing.

Sincerely,
