Dear Andee Wildenthaler,

I hope you are doing well today.

Per the Galion City Health Department Board of Health by-laws, "a Board member who fails to attend at least three-fifths of the regular and special meetings held during any two-year period forfeits the member's position on the Board (ORC 3.17)."

Thank you for having served on the Board of Health, and we wish you the best with your future endeavors.

Sincerely,

Shellie Burgin

President Pro Tempore
