Subject: Investing in Future Public Health Leaders

To Whom It May Concern:

I am nominating Leanna Perdue to attend the 2024 Ohio Public Health Conference. She is new to public health as of July, 2023, and she is very deserving of this nomination as a Future Public Health Leader. Although her focus is being our Business Services Officer and Vital Stats Registrar, she displays impressive public health leadership qualities. She is eager to learn and support the entire staff with their needs. You may review her attached resume to see the great qualities and experience that she brings to the table. I do not know what I would do without her hard work, leadership, and dedication to our small department.

Thanks!

Andrea Barnes
