Dear MrO'Leary:

I am writing to inform you that I will be resigning my responsibilities as commissioner of health, effective July 9, 2014.

It has been my great honor to serve the Galion Board of Health and the people of Galion. The past four years have some of the most rewarding of my professional life.

I realize that selecting and introducing a new commissioner of health may be difficult, and I will do whatever I can to make this transition a smooth one.

Sincerely,

P. Stephen Novack, D.O.
Commissioner of Health
