Disease Intervention Specialist
Sexual Health clinic/services

Participating Staff:

Galion City Health Department:

Sarah Miley, Certified Nurse Practitioner
Tina Nichols, Disease Intervention Specialist

Huron County Health Department:

Melissa Campbell, EIS

Ohio Department of Health

Brittany, RN

Anticipated Outcome: To provide HIV/STI Education and a awareness for Galion City Health Department's Sexual Health Clinic and access to HIV Pre-exposure Prophylaxis (PrEP) information assistance, and Free Hepatitis A Vaccine.

Description of event:

Location: Mansfield, Ohio Gay Pride Parade and Festival. Music, food, Mansfield community vendors offering health services, and political candidates showing support for the GLBTQ community.

Audience: General Public, including LGBTQ community as well as heterosexual allies.

of Community Members Impacted:

Bags with condoms, health information, and services were handed out to festival participants.

12pm-1pm – 62 people

1pm-2pm – 27 people

2pm-3pm – 23 people

3pm-4pm – 10 people

122 total

Bags given: 60

In addition to our information, Ohio Department of Health, who joined us, were able to vaccinate 11 festival participants.

*PrEP 101, condoms, Sexual Health Clinic hours of operation, Truvada information and dosing information. We handed out bags and had condoms and literature also available. The nurse practitioner was there to answer questions.

Outcomes of event: We hope that we relayed our HIV prevention message and access to Sexual Health Clinic for the community. Awareness to targeted groups will increase numbers of individuals accessing Sexual Health Clinic services.

In what ways can outreach be improved?

Our set up was good, we could have a larger table. Saturday's event was the first time to use our new PrEP Banner, which lists our services at Galion City Health Department. Our collaboration with community partners shows that we service a larger jurisdiction than just city of Galion.
