

Galion City Board of Health
Nursing Division Monthly Report for January 2021

CMH

- No information to report.

COVID-19 Vaccine

- A total of 456 COVID-19 vaccinations were given during the month of January. Much of the nursing duties have shifted to this response. Clinics have been held most days of the week to accommodate the number of requests and distribution of the vaccine.
- Beginning February 17th clinics for the COVID-19 vaccine will be held at the Grace Point Church gymnasium. This will allow for larger throughput. Clinics will be held on Wednesdays for second doses and on Fridays for first doses. ~100 doses will be administered during each clinic. All clinics will be held by appointment only from 8-1:30.
- Many staff throughout the department will take a role in this response. Some volunteers are also being lined up to assist in administrating. ODH released information on 2/3 during the weekly call that vaccine administration support can be requested through the state. We are expecting more information on how to make such requests.
- ODH released in a weekly call on 2/3 that a central scheduling tool is expected to become available soon. This will be a scheduling system for which we would submit our clinic schedules and appointments will be made through this tool. More information is to come.

Immunizations

- A total of 17 regular vaccine appointments were scheduled and 0 no shows for the month of January.
- Last January, 56 appointments were scheduled with 10 no-shows and a no-show rate of 17.86%.

Car Seats

- One car seat class took place during the month of January.

TB Tests

- Seven TB tests were administered during the month of January.

Flu

- A total of 431 flu vaccines have been administered during the 2020-2021 flu season.
- Flu vaccine remains for both public and private individuals still wishing to receive the vaccine.

Lead

- No information to report.

Foster Screenings

- No foster screenings were completed during the month of January.

Schools

- **St. Joseph School**
 - No pertinent information to report.
- **Galion City Schools**
 - No pertinent information to report.

Staff/ Students/ Mentoring

- One AU student began her preceptorship on January 26th.

Training/ Conferences

- No outside trainings or conferences were attended during the month of February.

Respectfully Submitted,

Emily Miller, RN, BSN, Director of Nursing
