Request for posting and hiring of a PRN nurse

Emily Miller, Director of Nursing for the Galion City Health Department is requesting the Galion City Board of Health consider the posting and hiring of an As Needed/PRN nurse (RN) to serve as a fill-in as needs arise. Currently, the Galion City Health Department employs 1 PRN nurse, Theresa Swinehart. Theresa has informed the Galion City Health Department of the removal of her status at the Galion City Health Department for Fall 2021.

The As-Needed position duties include filling in for nursing call offs, school health services, large vaccination clinics including Influenza vaccinations and pandemic response, and other duties as assigned.

Please see the GALION PHN III Competency-based job description 2021 for more information.
