1 Year Software Maintenance and Support Agreement

Support includes, but is not limited to, reasonable telephone hotline support Monday through Friday (8am-5pm Eastern Time) excluding holidays, and periodic upgrades when new versions or significant enhancements are made. Software support only provides for support of the most current version and the version prior, which requires that upgrades be applied timely. This Support Agreement shall be effective for a period of one year and shall automatically renew for successive terms of one year, unless either party provides 60 days written notice to the other party prior to the termination of the renewal term. Annual Software Maintenance and Support will be billed at the beginning of each new supported time period. Continuation of Annual Software Support by Licensee is a condition to continued use by the Licensee of the HDIS Software or HDIS Software documentation or any updates to the software and/or documentation which have been paid for by Licensee. By signing this agreement, The Baldwin Group, Inc. (BGI) agrees to upgrade the HDIS Modules in use by your Health Department to meet any revisions set forth by the State of Ohio or Montana for 1 year. The only exceptions will be if the State of Ohio, Montana, or some other controlling agency mandates the use of an incompatible hardware / operating system or specifies requirements that require a software redesign. BGI reserves the right then to charge separately for such revisions and the right to make the final decisions as to the manner and method of any such software revisions which could also impact annual support cost. This Software Maintenance Agreement will not cover software enhancements specific to your Health Department needs, troubleshooting data entry errors, internal computer network issues, or repairing of data corruption.

By signing this Agreement, the undersigned represent that they are authorized to sign this Agreement on behalf of the parties hereto and are capable, prepared, and intent on meeting their respective obligations and responsibilities hereunder.
