Thank you, Triona:

The Galion City Health Department would like to extend the offer of doing a virtual site visit sooner rather than later to get back on track. Covid-19 has really put a burden of delay on so many things. We are just anxious to start moving forward. Thank you for your consideration!

Respectfully,

Andrea Barnes

Good Morning Emily,
Technically I think she was supposed to get one from the system – but sometimes those are not reliable in the system sending them! So I did get an email on the 17th that your department submitted (thus consider this the confirmation email) and I am working on getting the site visit team back up and running, and will update you once we start talking about site visit dates!
Thanks,
Triona

Hi Triona,
Our Interim Health Commissioner completed her part in the submission of the pre-site visit request for additional documentation. She was wondering if she should have received an email confirmation?
Thank you!
Emily
