10/04/2024 9a-11a

Division:
Nursing

Participating Staff:
Kim Ponziani, RN
Brandi Riddlebaugh, RN
Marica Hykes, RN
Kori Gilliam, MA

Anticipated Outcome: To Provide flu and COVID vaccines to the members of the community who frequent the Golden Age Center.

Description of event: Galion City Health Department partnered with the Golden Age Center to offer a Flu and COVID clinic for those who go to the center as well as anyone from the public.

Location: Golden Age Center, Galion

Audience: The public

of Community Members Impacted: 21 people received the 2024-2025 flu vaccine and 3 received the 2024-2025 COVID vaccine.

Outcomes of event: The event was successful.

In what ways can outreach be improved? Bring more COVID vaccines.
