

Outreach Report
GMS Spooktacular

10/31/2024 HALLOWEEN

Nurse Practitioner & Environmental Health

Participating Staff:

Sarah Miley, MSN, APRN
Andrea Barnes, REHS HC

Anticipated Outcome: Provide candy & PH Info to Area Children/Families

Description of event: Galion City Health Department volunteered to be a Platinum Sponsor to the Galion Middle School Spooktacular 2024. We gave out more than 600 pieces of candy, 10 Lead Poisoning Prevention coloring books with crayons, 10-15 Covid test kits, information on the Ohio Buckles Buckeyes free car seat program, [Info on AWARE test kits](#), and info on the Medical Reserve Corps.

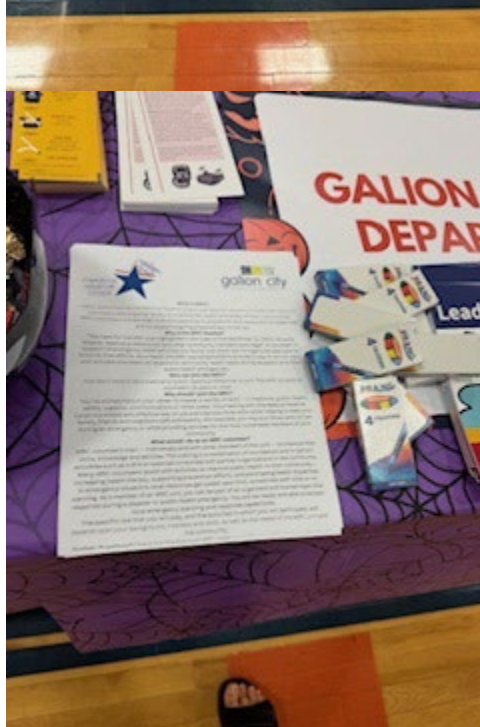

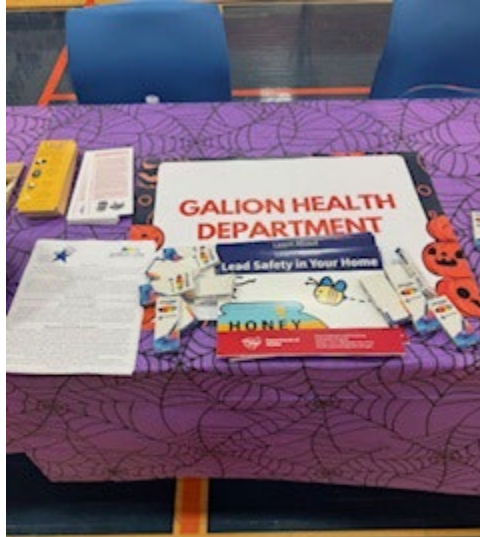

Location: Galion Middle School, Galion

Audience: Families with children 18 and under.

of Community Members Impacted: More than 600 participants

Sponsor: Galion City Schools in partnership with the community and community businesses.

Outcomes of event: The event was successful.

In what ways can outreach be improved? Wear Costumes next year. We had adequate staff and handouts.
