

Galion City Board of Health Environmental Division Monthly Report for May 2025

Accreditation

No activities during May.

Education/Outreach

GCHD has partnered with the community garden located at the corner of Jefferson and Harding Way East. I planted a variety of vegetables to share with the community when they ripen.

Food Safety

- **Plan Reviews**

The Galion Hospital is still under construction.

I was contacted by a Nate Thompson who is considering developing a haunted café at the Fox Winery location. He was given a new food facility plan review to complete.

- **Inspections**

12 food inspections were conducted.

- **Complaints**

A complaint inspection was conducted at Dollar General on Harding Way East concerning dirty coolers. The complaint was found valid and a re-inspection found it corrected.

A complaint inspection was conducted at Drug Mart. A patron believed he became ill from eating broccoli salad. No issues were found.

A complaint inspection was conducted at Granny's Kitchen due to the lack of water and electricity. The facility had its utilities shut off due to utility distribution line replacement. The owners were asked to close if the shut off lasted for more than 1 to 2 hours.

- **Licensing**

No food licenses were issued in April

- **Enforcement**

None

General Environmental Health

Our new EH software "Accela" went live on May 30th. It is very trying to navigate.
