

Outreach Report  
GCS Summer Lunch Program  
July 14<sup>th</sup>, 2025, 10:15 am- 12:05 pm

**Division:**  
Nursing

**Participating Staff:**  
Brandi Riddlebaugh, RN

**Anticipated Outcome:** To provide car seat education.

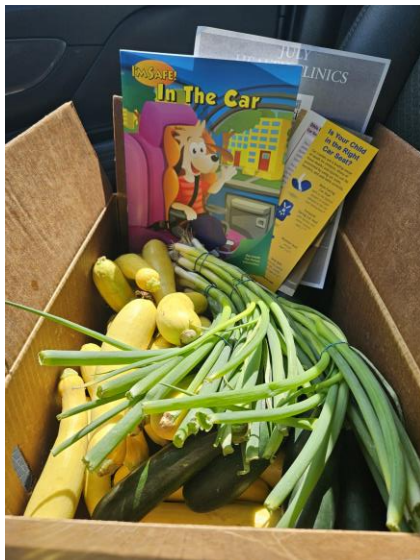

**Description of event:** GSC has partnered with USDA to provide 7 breakfasts and 7 lunches to Galion children age 18 years and under. GCHD attends the program to distribute educational information to the families.

**Location:** East Park, Galion Arms Apartments.

**Audience:** Galion families with children ages 18 years old and younger.

**# of Community Members Impacted:** Brandi Riddlebaugh, DON, distributed car seat education as well as Child Safety ID stickers to 18 families. She also handed out fresh vegetables to anyone who was interested. GCS serves well over 100 children every week.

**Sponsor:** USDA

**Outcomes of event:** Eighteen families received car seat education and Child Safety ID stickers.  
**In what ways can outreach be improved?** I would like to have more handouts to distribute.
