

Outreach Report  
**Galion Third Friday**  
**July 2025**

**07/18/2025**

Jennifer Jordan HIV/STI Case Manager

**Participating Staff:**

Jennifer Jordan, CMA

Carol Jones

**Anticipated Outcome:**

Inform our community regarding GCHD Services for individuals/Children/Families.

**Description of Event:**

Galion City Health Department was invited to participate in Third Friday sponsored by the Crawford County Chamber of Commerce.

**Location:**

Galion City Health Department

**Audience:**

For anyone in the community.

**# of Community Members Impacted:**

Approximately 30-40 people/community members participated. 6 Lead/Healthy Home buckets, several Off Wipes, 3 gun locks, 2 Narcan, 5 Mosquito dunk packs, safe sex kits with condoms, tick identifier cards, and cold packs were distributed.

**Outcomes of Event:**

Community members and/or individuals were engaged with the health department staff and items/flyers provided at the table. Staff answered questions regarding nursing and STI clinic services. A few community members were very worried about ticks, and they were given proper instructions on removing and identifying ticks, and how to dress properly/use of repellents before hiking. Children enjoyed coloring with sidewalk chalk. GuardCare information was given to several community members who inquired.

**In what ways can outreach be improved?**

Event was well received by those who participated, however, more freebies that encourage health and safety would be nice.
