Subject: Program Director Orientation in September

Thank you for applying to join NACCHO's STI/HIV Program Director Orientation next month. I am excited to inform you have been selected to participate.

The Program Director Orientation is designed to improve new STI/HIV program directors' knowledge and skills related to program leadership. The focus will be the program director's role in priority setting, defining program structure, surveillance/epidemiology, field services, public health communications, community partnership, and clinical services. This year's orientation will focus specifically on individuals working in rural areas.

The training will be in-person on **September 15-16, 2025**. The orientation will take place at the Drury Plaza Hotel in St. Paul, Minnesota. **If you are able to join, please fill out this [registration form](#) by Wednesday, August 20.** As soon as you fill it out, travel arrangement information will be shared with you. All costs will be covered by NACCHO.

If you are not able to commit to the full orientation, please reach out and we can discuss.

If you have any questions about the orientation or travel, please email me.

Thanks,

Rebekah
