

CRAWFORD COUNTY COMMUNITY HEALTH IMPROVEMENT WORK PLAN

PRIORITY: BEHAVIORAL HEALTH

(Includes mental health, Adverse Childhood Experiences (ACEs), substance use disorder, and other addictions.)

*At least one strategy in the entire work plan (just one strategy among ALL the priority health needs) will need to affect policy change in some way (per PHAB)

*At least one strategy in the entire work plan (just one strategy among ALL the priority health needs) will need to specifically address a health disparity in some way (per PHAB)

TO IMPROVE BEHAVIORAL HEALTH, WE WILL:							
SPECIFICS ON STRATEGY /PROGRAM/ INTERVENTION	STRATEGY LEAD (CONTACT PERSON)	PARTNER(S)	PRIORITY POPULATION(S) TO TARGET	BARRIERS TO ADDRESS FOR THIS STRATEGY AND HOW? (see information from CHA on community conditions and SDOH)	2026 ACTION STEPS	2027 ACTION STEPS	2028 ACTION STEPS
Develop a strategy to increase the number of mental health professionals including specialized in SUD, Child Development, and General Therapies	ADAMH Health Partners NAMI	Lead partner: Supporting partners: -Crawford Partnerships/Workforce Development -Mid-Ohio Education Services Center -CCBDD -NCSC (Associates Degree) - Chemical Dependency	Youth Low-Income Substance Use Individuals	-Parenting Skills -Seniors raising grandchildren -Substance Use Disorder -Low education opportunities for mental health professionals in Crawford County Area -Recruitment of personnel -Low use of remote programs and buy-in -Stigma	Find flexible solutions for in person/telehealth for therapy and psychiatry Health Response Team - Train the Trainer for community trauma training Find information for parent advocates/resources Complete training for volunteer group facilitation	Develop a steering committee for training, community involvement, resources Incorporate support groups for a variety of ages/groups - either in person or virtual - public health offices, libraries, church lobbies through volunteer opportunities for facilitation	-Look at levels of reimbursement for license levels - how can we increase billable dollars for lower license levels - create a person who is comfortable in talking about advocating for appropriate funding due to lack of new professionals
