

Outreach Report
Elliot Health Fair
October 9th, 2025, 2pm-4pm

Division:

Nursing
Environmental Health

Participating Staff:

Brandi Riddlebaugh, RN
Matt Schwab, REHS

Anticipated Outcome: To provide health education and resources to the staff of Elliot Machine.

Description of event: The event was a health fair hosted by Elliot Machine for its employees, featuring a variety of vendors who provided informative displays and resources on health and wellness.

Location: Elliot Machine, Galion OH

Audience: Elliot Machine employees

of Community Members Impacted: Approximately 50 employees attended.

Sponsor: Elliot Machine

Outcomes of event: The Galion City Health Department gave away free condoms; mosquito dunks and one attendee won a free bat house. Several car seat applications were handed out, and various health and environmental issues were discussed.

In what ways can outreach be improved? The event was well attended and provided a valuable experience for Elliot Machine employees. A variety of local health organizations were represented, offering helpful resources and information.
