

Galion Middle School

Julie Murphy-Theodore, *Principal*
Matt Tyrrell, *Assistant Principal*

On behalf of the Galion Middle School Student Council and the Tigers community, thank you for **participating in our annual Spooktacular event** and helping us create a safe, festive night for our younger Tigers and their families.

Your involvement in this event helped us:

- Welcome many students and family members to GMS for trick-or-treating in our halls,
- Provide a fun, inclusive event staffed by student leaders, and
- Strengthen school-community spirit right here in Galion.

Because of partners like you, our students get to experience leadership in action—planning, organizing, and serving others. We're proud to tell them, "Tigers climb higher together," and your support made that message real.

Thank you again for investing in our kids and community. We're grateful for your partnership and hope you'll join us again next year!

With appreciation,

Elizabeth Ice
