Project No. 01720012HP0725

The Ohio Department of Health (ODH) is increasing your HIV Prevention (HP) grant by **\$38,750** for the period of June 1, 2025 – May 31, 2026, to continue conducting activities related to HIV services and linkage objectives. Your new project award is **\$153,487**.

Your agency must submit the required budget revision based on **\$153,487** in total funds and must submit no later than **March 2, 2026**, via the online Grants Management Information System (GMIS) and in accordance with Ohio Grants Administration Policies and Procedures and grant requirements. Upon review and approval, ODH will issue a revised Notice of Award for the total award funded

Since the budget revision is required by ODH to adjust your grant award, it will not count against the number of budget revisions available this fiscal year. If you have any questions, please contact me at (614) 644-1852, or via email at Angela.Street@odh.ohio.gov
