Outbreaks

- No outbreaks were reported in February.

Updates to COVID, Influenza and RSV reporting

- As of October 1, 2025, only hospitalized COVID, influenza and RSV cases are required to be reported to ODRS and local health departments.

Immunizations

- Three clinics were held in the month of February, as well as walk-ins and same day scheduled appointments.
- A total of 3 children was seen in the immunization clinic, receiving a total of 5 vaccines.
- A total of 3 adults were seen in the immunization clinic, receiving a total of 3 vaccines.
- Of the vaccines administered in February, 1 was a flu vaccine.
- GCHD has begun to administer the COVID vaccine to patients 12 years and older per ODH.

TB test administration

- 3-TB skin tests were administered.

Head Checks

- 0-head checks were completed for lice.

Lead

- No lead screenings or investigations were completed.

Foster Screenings

- No foster screenings were completed.

Car Seat Program

- 5-car seat classes were completed with 4 convertibles, 2 combinations and 0 boosters being distributed and properly installed.

St. Joesph School:

- Initial vision and hearing screenings were completed with rescreens being scheduled for December.
- Immunization records were completed and reported to ODH.
- I will be available during the year for questions, concerns, and services that the school may have.

CMH Program

- We currently have 17 active CMH cases.
- There was one appointment in February. I continue to reach out to families monthly per CMH protocol.

Respectfully Submitted,

Brandi Riddlebaugh, BSN, RN

Director of Nursing
