**Subject: Partner with the Galion City Health Department to support members of our community**

Dear Local Business Partner:

I am writing to invite your business/organization to become a vital partner for our upcoming Galion Family Fun Fair, taking place on Saturday, August 8<sup>th</sup>, 2026, at Galion's East Park from 11am to 3pm. At the Galion City Health Department, our mission is to promote, improve, and protect the health and well-being of the community we serve. We are reaching out to local business leaders to help us extend our reach and connect with our community families.

The upcoming outreach event will directly support the lower income families and elderly by providing fun games and prizes, safety items, food and drinks, etc. We can do even more to uplift the community.

We are currently seeking businesses to participate by having a table or providing a fun, family-oriented activity as well as in-kind donations of bottled water, food, prizes, and business logo items. By participating, your business will directly address critical local needs while gaining valuable visibility among our attendees and the broader community.

In exchange for your support, we offer several promotional benefits. Depending on your level of contribution, these include:

- **Brand Exposure:** Your logo displayed on event banners, signage, and promotional materials.
- **Digital Reach:** Social media shout-outs and acknowledgments in our promotional posts reaching our 2.9k subscribers.
- **Community Goodwill:** Recognition as a socially responsible business dedicated to improving the Galion area.

I would like to arrange a brief call or meeting to discuss how a partnership with your business or organization aligns with providing a family fun day for Galion residents. Thank you for your time, consideration, and ongoing dedication to our community. Together, we can make a tangible difference in the lives of those who need it most.

Warmly,

*Andrea Cinadr*
