

Outreach Report
Car Seat Check Event
May 7, 2026, 1:30pm-3:30pm

Division:
Nursing

Participating Staff:
Brandi Riddlebaugh, RN

Anticipated Outcome: To provide education and safety for families with children still using child safety seats.

Description of event: The Galion City Health Department teamed up with the Galion Community YMCA to offer free car seat checks for the community.

Location: Galion Community YMCA

Audience: The public

of Community Members Impacted: Unfortunately, only one parent attended this event.

Sponsor: N/A

Outcomes of event: We were able to provide education and ensure that a car seat was properly installed for one parent.

In what ways can outreach be improved? I think offering this after-hours or on a weekend would be helpful to working parents.
