Subject: Thank You for Kori Gillam's Outstanding Assistance

Dear Ms. Purdue,

I would like to express my sincere appreciation for Kori Gillam's exceptional assistance in helping me obtain vital records needed to complete my family genealogy research.

After receiving numerous automated rejections through the online system, I was discouraged and unsure how to proceed. Kori took the time to personally contact me, understand my request, and guide me through the process to locate the records I needed. Her patience, professionalism, and commitment to customer service were truly outstanding.

My family has deep roots in Galion, Ohio, spanning more than a century, and these records are important in preserving our family history. Kori's willingness to go above and beyond made a significant difference and allowed me to complete an important part of my family tree.

Please extend my gratitude and recognition to Kori for her dedication and excellent service. She is a tremendous asset to your office.

Thank you.

Sincerely,
Robert Faine
