

Outreach Report First Friday in Galion 06-05-2026

Division:
Health

Participating Staff:

Terri Murphy, Administrative Services Director
Sarah Miley, MSN, APRN STI/HIV Prevention Program Coordinator
Andrea Cinadr, Health Commissioner
Abby Volk, Disease Intervention Specialist
Jennifer Jordan, HIV/STI Case Manager
Matt Schwab, Director of Environmental Health

Anticipated Outcome: To talk to community members in attendance about what the health department has to offer as well as encourage participation in our Strategic Planning Survey.

Description of event: This is a community engagement event in Galion initiated by the Crawford County Chamber to celebrate summer and local business. The theme centered around America's 250th celebration this year.

Location: Galion and Galion City Health Department

Audience: Anyone

of Community Members Impacted: 25-50

Sponsor: Crawford Chamber & GCHD

Outcomes of event: It was a decent turnout for Galion. GCHD staff were able to encourage an additional 21 or more people to complete our strategic planning survey. Staff gave away sunscreen, bug repellent

wipes, and mosquito dunks. Crawford Prevention allowed us to set up “Is it Candy or Medicine” trivia game too for the event.

In what ways can outreach be improved? Better advertising or promotion of the event.
