

Outreach Report
GCS Summer Lunch
June 15, 2026, 10:30a-11:30a

Division:
Nursing

Participating Staff:
Brandi Riddlebaugh, RN

Anticipated Outcome: To provide health education in form of USDA supplied resources discussing healthy summer recipes, being active and how to build your plate.

Description of event: Galion City Schools go to three locations in Galion and hand out 5 days of lunches for families with children.

Location: Libby Lane and Galion Arms Apartment complexes, Galion OH

Audience: Families with children

of Community Members Impacted: 37 families were given handouts at these 2 locations.

Sponsor: USDA

Outcomes of event: 37 families received USDA approved handouts with fun summer themed ideas for recipes, eating healthy and being active.

In what ways can outreach be improved? I think this is a wonderful program that reaches several families. Over 300 children are signed up this summer with new participants being accepted every week.
