Project No. 01720012WF0123

Dear Recipient,

Congratulations! Your agency is eligible for the reallocation of workforce funding that Director Vanderhoff announced at the Spring Conference. The Ohio Department of Health (ODH) is increasing your Public Health Workforce (WF) grant by \$90,000.00 for the period of September 1, 2026 – November 30, 2027. Your new project award is \$510,000.00.

Your agency must submit a budget revision based on respective updated budget amounts. The budget revision must be submitted no later than July 17, 2026, via the Grants Management Information System (GMIS) and in accordance with ODH Ohio Grants Administration Policies and Procedures (OGAPP), or your agency may lose its opportunity for these additional funds. All LHDs must submit their budget revisions before ODH can process the increased funding, so please reach out right away if you encounter any issues.

A revised Notice of Award will be sent to all subrecipients after the budget revision is approved by ODH. Since this budget revision is required by ODH to adjust your grant award, it will not count against the number of budget revisions available this fiscal year.

An optional virtual meeting will be held July 8th, 2026, from 11:00am to 12:00pm EST. The meeting is an opportunity for LHDs of eligible agencies to ask questions regarding their required program report and/or optional reallocation request.
