

Outreach Report
GCS Summer Lunch
July 20, 2026

Division:
Nursing

Participating Staff:
Brandi Riddlebaugh, RN

Anticipated Outcome: To provide child car seat safety education.

Description of event: Every Monday, the GCS supplies families with seven lunches for each child in their family up to the age of 18 years old.

Location: Galion Arms Apts, Libby Lane Apts.

Audience: Any family with children aged 18 and under.

of Community Members Impacted: 30 families received education

Sponsor: USDA

Outcomes of event: We were able to supply 30 families with child car seat safety education as well as educational coloring pages.

In what ways can outreach be improved? I think this is a great way to help the community!
