

Outreach Report
Summer Lunch
July 27th, 2026

Division:
Nursing

Participating Staff:
Brandi Riddlebaugh, RN

Anticipated Outcome: To provide school required vaccine information as well as information regarding our Free Family Fun Day.

Description of event: Galion City School delivers lunches to families with children up to 18 years old during the summer.

Location: Galion Arms Apts and Libby Lane Apts.

Audience: Any Galion family with children up to 18 years old.

of Community Members Impacted: 36 families received information today.

Sponsor: USDA

Outcomes of event: Each family that attended today received a week of lunches for each child in their family as well as information regarding our Free Family Fun Day and school required vaccines.

In what ways can outreach be improved? I think this is a great program. I would like to have enough resources to hand out at the high school as well, but they have over 300 children who are signed up there.
