Outbreaks

- No outbreaks were reported in August.

Updates to COVID, Influenza and RSV reporting

- As of October 1, 2025, only hospitalized COVID, influenza and RSV cases are required to be reported to ODRS and local health departments.

Immunizations

- This back-to-school season was very successful. Families seemed to appreciate the walk-in option.
- A total of 43 children was seen in the immunization clinic, receiving a total of 71 vaccines.
- A total of 6 adults were seen in the immunization clinic, receiving a total of 8 vaccines.
- No flu or COVID vaccines were administered in March.
- GCHD has begun to administer the COVID vaccine to patients 12 years and older per ODH.

TB test administration

- 4-TB skin tests were administered.

Head Checks

- 0-head checks were completed for lice.

Lead

- No lead screenings or investigations were completed.

Foster Screenings

- No foster screenings were completed.

Car Seat Program

- 5-car seat classes were completed with 5 convertibles, 0 combinations and 0 boosters being distributed and properly installed.
- 0-car seat check was completed.

St. Joesph School:

- St. Joe's has been contacted to schedule vision and hearing screenings and a flu clinic. At this time, they have not answered.

CMH Program

- We currently have 19 active CMH cases.
- There were no visits completed this month. I continue to reach out to families monthly per CMH protocol.

I have truly enjoyed my time at the Galion City Health Department and am so grateful for the support of the board.

Respectfully Submitted,

Brandi Riddlebaugh, BSN, RN

Director of Nursing
