

Outreach Report
Galion Family Fun Day
August 8, 2026, 11am-3pm

Division:
Health

Participating Staff:

Brandi Riddlebaugh, RN
Jenny Jordan, MA

Matt Schwab, REHS
Sarah Miley, APRN, MSN

Kori Gillam Andrea Cinadr
Abby Volk, MBA

Anticipated Outcome: To talk to community members in attendance about what the health department has to offer and receive community input on our strategic plan from the underserved population in town.

Description of event: This event was designed to be a free fun day for community members while making them aware of local resources prior to the school year starting.

Location: Galion East Park

Audience: Anyone

of Community Members Impacted: 350

Sponsor: Galion City Health Department with community resources from the City of Galion Mayor & Fire Department, Three Bean Coffee, Avita Home Health & Hospice, Seventh Day Adventist, Phil's Deli, Addie's Helping Hand, Cleaning By Carrie, Galion City's School Transportation, Galion Kiwanis, Caleb's at DK's, YWCA Parent Resources, North Central Ohio Media Group, White Light Behavioral Health, Ole Dog's Coffee Culture, Mizick, Miller & Company, Inc., Quality Inn Suites & Conference Center, Crawford County Community Action, Galion YMCA, and The Sweet Bake Company

Outcomes of event: It was an excellent turnout. We helped many kids and families in need with backpacks, school supplies, community resources and food. The inflatable axe throwing, bounce house, and dunk tank were very popular. The kids also enjoyed games and face-painting too.

In what ways can outreach be improved? If we repeat this event next year, which we hope to, the GCHD will start planning earlier in the year to get more community partners involved. It was a lot of hard work that was very rewarding.
