Subject: Relinquishment for PRN position
Date: Thursday, August 27, 2026 10:45:56 AM

Good Morning Andi,

I am emailing you to let you know that I feel it is best for both parties if I resign from my PRN public health nurse position. I don't feel like I am working enough hours to maintain proficiency in that role. I have enjoyed working for the health department and appreciated the opportunity. My resignation is effective two weeks from today occurring on September 9th, 2026.

Thanks again.
